

The Ranch Golf and Country Club is built on the former Flying Red Wheel Ranch. In 2011, Score Magazine ranked The Ranch Golf and Country Club #2 Best Public Golf Course in Edmonton, and #14 Best in Alberta.

Designed by Western Golf Projects to offer the golfer variety, the course features traditional challenges that test your skills with mature natural forest, ponds, and stone creek beds. For a little taste of Scotland, our architect has interwoven numerous links style holes. Variety is truly the spice of life and the mark of a great golf course.

At the Ranch we strive to make you feel at home with exceptional golf and warm friendly service. After your round, enjoy our spacious ranch style clubhouse to complete an outstanding golf experience.
