COVID 19 & TOURNAMENT NOTES

Possible Restrictions & Adjustments Due to Covid Regulations:

- If group size regulations are in place that do not allow any type of sit-down meal after golf, on-course food options will be available. Such options may include on-course breakfast stations in the morning and BBQ stations for midday and later. Options will be presented to customer once determined.
- Certain items such as sit-down meals and any type of "help yourself" food options may not be available due to health regulations.
- Any type of Buffet service will be changed to a food service line operated by Ranch G&CC staff. If this is the case, essentially nothing changes other than our staff will be dishing up the food items.
- On-Course Contests such as Long Drive, Closest to Pin, Longest Putt, etc. may be subject to certain restrictions. Be sure to check with your event coordinator before committing to such contests.
- The size of groups that are allowed by AHS has been changing with the times. In 2020 we operated within Alberta Health regulations where we offered indoor sit-down food service line meals in our banquet room for up to 100 people. We did many of these and they were well received by our customers. Essentially, it was normal operations with a limit on the number of people, tables spaced further apart and The Ranch staff serving all the food and drink items. There were also groups where we sat up to 100 golfers in our banquet room and then the extra volunteers, sponsors and organizers were able to enjoy the same meal but be seated in the clubhouse or sunroom area. This also worked well for the groups that maximized their numbers.
- It is very probable that a mask policy will be in place for 2021 season. If so, the Ranch G&CC will be under a mandatory mask wearing policy whenever persons are inside unless seated at a table drinking or eating.

Of Note:

GST is added to the Tournament prize credit of \$10 per person so it works out to \$10.50 credit per person. These are most commonly used for larger gift cards for team prizes, draws/raffles or hole contest prizes, or they can be used to shop for items/prizes in the pro shop. How it is used is up to organizers discretion.

On Course Drink/Liquor Holes: Please be aware that our liquor license is the same as a Bar/Restaurant and therefore our prices are NOT comparable to Liquor stores. Inquiries are often caught off guard by this. We just want you to know this as we are not trying to offend or overcharge anyone.

All printed materials, any items to be put on the power carts or on the golf course (including signage) must be provided by the day prior for an AM start event or by 10am the day of for a PM start event.

Bottled Water – It is common for events to have their own/sponsored bottles of water where it is preferred to be placed in the power carts for the start of the event. If this is the case, the bottled water provided in the tournament package will be placed in coolers or available at #1 and #10 tee areas.
